

I am very familiar with the FCC having worked with them on RFI issues for decades.

I have ALWAYS known the staff people to be the best in federal government. And FAIR.

And that is why I am writing to protest Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election. Here is a clear example of the dangers of media consolidation.

As we all know, Sinclair uses the spectrum without charge.W

We need to strengthen media ownership rules, not weaken them. The license renewal process needs to involve more than a returned postcard. Thank you.
